Key Fact Document – Leasing

Key Features and Nature of the product	Interest Rate and Penalty, Charges, Fees and Commission	Procedure to obtain product/service	Terms and Conditions	Documents Required to process a facility	Legal Provision																				
<p>While offering a wide range of lease products to different clientele ranging from individuals to SMEs and corporates, SDF views leasing as a crucial financial tool in the development finance for the country's SMEs and Agriculture sector.</p> <p>These facilities will enable small businesses to acquire modern machinery, equipment and motor vehicles to develop their business enterprises.</p> <p>Small businesses, particularly in rural areas, do not have the financial strength to purchase their machinery and vehicle requirements outright, and also find it difficult to access bank credit due to lack of formal business and financial records. Therefore, SDF's leasing model adopts a uniquely flexible and customized process, where leasing facilities are granted by verifying the businesses physically and evaluating the repayment capacities.</p> <p>In rural areas, SDF works closely with Sarvodaya Shramadhana Societies in villages, to meet the needs of village entrepreneurs. SDF leasing facilities are also combined with many value-added support services that are delivered free of charge, such as marketing events and knowledge sharing events.</p> <p>SDF offers these leasing facilities targeting to uplift the standard of living by providing financial assistance for their income generating activities and through our wide spread branch network, we mainly focus on providing lease facilities for the village entrepreneurs and agricultural sector while contributing for the development of the Country.</p>	<table border="1"> <thead> <tr> <th colspan="2">Documentation charges</th> </tr> </thead> <tbody> <tr> <td>Four wheeler and machinery</td> <td>Rs. 6,500/- or 1% of the facility amount (whichever is higher)</td> </tr> <tr> <td>Three Wheeler</td> <td>Rs. 4,000/-</td> </tr> <tr> <td>Two wheeler</td> <td>Rs. 4,500/-</td> </tr> <tr> <td>Laptop</td> <td>Rs. 1,750/-</td> </tr> <tr> <th colspan="2">RMV Charges</th> </tr> <tr> <td>Collecting & Processing fee</td> <td>Rs, 2,150</td> </tr> <tr> <td>Stamp Duty</td> <td>1% from total receivable for Car/Jeep/ SUV/Dual purpose vehicles</td> </tr> <tr> <td>CRIB charges</td> <td>Rs. 500 per person</td> </tr> <tr> <td>Postage</td> <td>Register post Rs. 500 Normal Post Rs. 250</td> </tr> </tbody> </table> <p>Interest Rate</p> <p>Effective Rate (ER) – Varies according to the past payment records, repayment capacity & the collateral offered as security.
